It further includes criminal behaviour such as alleged offences and/or the proceedings dealing with such offences.

3. POLICY STATEMENT AND SCOPE:

3.1 Please note that the following information refers to physical visits to any of the company’s premises as well as our websites and/or any social media accounts.

3.2 Our company, its subsidiaries and affiliates, respect all privacy related matters and acknowledges that all information received from you should be safeguarded in a proper and prescribed manner.

3.3 The above statement refers to all data provided by you, as well as all data collected through our websites and/or social media accounts. The data obtained will be used to mainly contact you for the purposes of understanding your requirements, to provide you with any further relevant information, service delivering, to provide you with a more personalized experience, analyse the effectiveness of the company’s advertisements, competitions and promotions. The information as provided by you, may further be used for marketing purposes, if not specifically indicated otherwise.

3.4 The company will comply with all the relevant data privacy legislation’s and will treat all personal information in accordance.

4. COLLECTION, PROCESSING, STORING AND DISCLOSURE OF INFORMATION

4.1 COLLECTION OF PERSONAL INFORMATION

4.1.1 The company may from time to time collect personal information from users for statistical purposes to improve the services the company renders. The users consent to process and/or collect personal information is automatically given when the user completes surveys, sign-in

registers, completes online questions, and/or comments on the company's social media accounts. The company's web servers may in addition to this, when the user visits the company's website and social media accounts, collect standard information based on the users search history, and further take no responsibility for the privacy practices of other sites and/or organizations which are linked to our sites and facilities.

4.1.2 Personal information, such as the user's name, surname, name of the user's organization, email address, and contact number, which the user provides the company with, will be used to mainly contact the user for the purposes of understanding his/her requirements, to provide the user with any further relevant information, service delivering, to provide the user with a more personalized experience, analyse the effectiveness of the company's advertisements, competitions and promotions.

4.1.3 This information will be stored as prescribed by legislation and will be kept for a period deemed fit by the company to fulfil our legal obligations such as the prevention of fraud and/or money laundering. Please note that the IP-address used will also be kept for security purposes.

4.1.4 This policy statement includes the processing and safeguarding of information in any and all countries in which the company operates or has facilities in, in accordance with the relevant laws and regulations.

4.1.5 The company will not process special personal information unless it has obtained specific authorization to this effect.

4.2 PROCESSING OF INFORMATION

4.2.1 The company will take all reasonable steps to comply with all the conditions for lawful processing.

4.2.2 The company will collect personal information to contact the user for the purposes of understanding the user's requirements, to provide the user with any further relevant information, service delivering and to provide a more personalized experience. The information as provided by the user, may further be used for marketing purposes, if not specifically indicated otherwise.

4.2.3 The company will endeavour to process personal information in a fair, lawful and transparent manner and only with the consent of the data subject.

4.2.4 The company will ensure that all collected information is complete, accurate, not misleading and updated on a regular basis.

4.3 STORAGE OF DATA

4.3.1 The company will ensure that measures are in place, by reviewing on a regular basis, its procedures to maintain an accurate data base and record of personal information. It will in particular:

4.3.1.1 Data will be stored in as few as possible facilities.

4.3.1.2 Systems will be updated, as information about individuals change.

4.3.1.3 Staff responsible for dealing with personal data will receive the necessary training and guidance.

4.3.1.4 Electronic records will be stored in a secure manner.

4.3.1.5 Hard copies will be kept safe in the company's filing system and destroyed via a shredder, when no longer required. Storage will be secured and audited regularly to ensure the safety and the security of the information.

4.4 DISCLOSURE OF INFORMATION

4.4.1 The company may disclose a user's personal information to our service providers (operator's) who are involved in the delivery of products and/or services to an user. The company has agreements in place to ensure that operators comply with the privacy requirements, as required by the Protection of Personal Information Act.

4.4.2 The company may further disclose your information where we have a duty or a right to disclose same, in terms of law or industry codes; and/or where we believe it is necessary to protect our rights.

5. SECURITY MEASURES

- 5.1 The company complies with the security measures for the storing of data and personal information as prescribed by legislation. However, when data or personal information is transmitted over the internet the secure safeguarding of such information can unfortunately not be guaranteed and the company therefore cannot be held liable for any crime committed in such a manner.
- 5.2 In the case where personal information of a data subject was accessed or acquired by an unauthorized person or in the case whether reasonable grounds are present to believe that such a misconduct took place, the company will immediately inform the Information Officer. The Information Officer will subsequently inform the Regulator in terms of and in line with Section 22 of the POPI Act. The company will further adhere to the management plan, as outlined in the company's Data Breach Policy.
- 5.3 If personal information is transferred outside the Republic of South African, the company will subsequently comply with Section 72 of the POPI Act and will implement contractual agreements with the relevant third parties.
- 5.4 If an user has reason to believe that his/her interaction with the company is no longer secure, please immediately notify the Information Officer of the company of the said problem.

6. DATA SUBJECT RIGHTS

6.1 ACCESS TO OWN PERSONAL INFORMATION

- 6.1.1 Data subjects have the right to request the company to provide them with the following information:
- 6.1.1.1 Details of any personal information that the company holds, including any record relating to the personal information.
 - 6.1.1.2 Details of the manner in which the company has used and processed the personal information.
- 6.1.2 Such request should be made in writing to the Information Officer of the company.

6.1.3 On receipt of such a request, the company may request proof of identity prior to releasing the said information.

6.2 CORRECTION OF PERSONAL INFORMATION

6.2.1 It is each data subject's responsibility to ensure that all their personal information, that the company keeps, is accurate, complete and up to date. Therefore, the company encourages all data subjects to inform us if any of their personal information changed to enable the company to update its records accordingly.

6.2.2 Data subjects may opt to provide additional personal information to the company.

6.2.3 On receipt of such a request, the company may request proof of identity prior to updating the said information.

6.3 OBJECTION

6.3.1 Data subjects have the right to object to the processing of their personal information. On receipt of such objection, the company will place a hold on any further processing, until the cause of the objection has been resolved.

6.3.2 In the event that a data subject withhold consent to provide their personal information to the company, the company will not be able to engage with them or to enter into an agreement or relationship with them.

7. DIRECT MARKETING

7.1 Direct marketing, whether via an electronic communication, automated calling machines, SMS's or emails will not be used, unless the data subject has given his consent. However, the company confirms that it would only contact a client / prospect once to obtain such consent.

7.2 There are exceptions to direct marketing, for example if the company contacts an existing client to sell any other related products the company is providing or if the data subject has been given a reasonable opportunity to object, free of charge, to use his electronic details.

7.3 The company may furthermore obtain external lists for marketing purposes.

8. COOKIES

8.1 This section should be read together with the company's Cookie Policy.

8.2 Cookies are created when an user uses his/her browser to visit a website, that uses cookies to keep track of his/her movements within the site, for example help the user to resume where he/she left off.

8.3 Cookies can store a wide range of information, including personal information (such as an user's name and/or email address etc.).

8.4 The company's website uses cookies to process any personal information. The cookie pop-up banner will serve as a cookie notice, to users browsing the company's website. Users will have the option to accept or reject the cookies. Hence, the user, browsing the company's website, will need to give their express consent to confirm the latter.

8.5 The company will ensure that the pop-up banner reappears on a regular basis to remind the user that their personal information is being processed by the company.

9. INFORMATION OFFICER

9.1 The company has appointed an Information Officer to ensure compliance with the POPI Act.

9.2 The company's appointed information officer is Bronwen Hurdall. The information officer's contact details are:

Email: bronwen@mudsa.co.za

Telephone Number: 081 595 5368

10. POLICY REVIEW

- 10.1 The privacy policy is subject to change. The information officer will consult with the relevant stakeholders, should amendments be made to the said policy.
- 10.2 Any changes will be posted to our website, social media accounts and written documentation. The onus is upon each client to familiarize him- or herself with the content of this policy on a continuous basis.

11. DISCLAIMER

- 11.1 The use of the company's website and/or social media platforms is entirely at the user's own risk and the user assumes full responsibility for own risk or loss resulting from the use of the company's website and/or social media platforms.
- 11.2 The company disclaims liability for any damage, loss or expenses, whether direct, indirect or consequential in nature arising out of or in connection with the user's access to or use of the website and/or social media platform.
- 11.3 In addition to the disclaimers contained elsewhere on the website or in this Privacy Policy, the company also makes no warranty or representation, whether express or implied, that the information or files available on the website and/or social media platforms are free of viruses, spyware, malware, trojans, destructive materials or any other data or code which is able to corrupt, destroy, compromise, disrupt, disable, harm, jeopardise or otherwise impede in any manner the operation, stability, security functionality or content of the user's computer system, computer network, hardware or software in any way. The users accept all risk associated with the existence of such viruses, destructive materials or any other data or code which is able to corrupt, compromise, jeopardise, disrupt, disable, harm or otherwise impede in any manner the operation or content of a computer system, computer network, any handset or mobile device, or the user's hardware or software, save where such risks arise due to the gross negligence or wilful misconduct of the company, its employees, agents or authorized representatives. The company disclaims all liability for any damage, loss or liability of any nature whatsoever arising out of or in connection with the user's access to or use of the company's website and/or social media platforms.

11.4 Any views or statements made or expressed on the company's website and/or social media platforms are not necessarily the views of the company, its directors, employees and/or agents.

12. GOVERNING LAW AND JURISDICTION

12.1 This Privacy Policy and our relationship and/or any dispute arising from or in connection with the Privacy Policy will be governed and interpreted in accordance with the laws of the Republic of South Africa.

12.2 The user's continued use of the website and/or the company's social media platforms will constitute the user's consent and submission to the jurisdiction of the South African Courts regarding all proceedings, transactions, applications or the like instituted by either party against the other, arising from any of the Privacy Policy.

12.3 In the event of any dispute arising between the users and the company, the user hereby consents to the non-exclusive jurisdiction of the High Court of the Republic of South Africa in the Province of the Head Office of the company.

13. GENERAL

13.1 Any failure on the part of users or the company to enforce any right in terms hereof will not constitute a waiver of that right.

13.2 If any term or condition contained herein is declared invalid, the remaining terms and conditions will remain in full force and effect.

13.3 No indulgence, extension of time, relaxation or latitude which any party (the "grantor") may show grant or allow to the other (the "grantee") will constitute a waiver by the grantor of any of the grantor's rights and the grantor will not thereby be prejudiced or stopped from exercising any of its rights against the grantee which may have arisen in the past, or which might arise in the future.

13.4 No other warranty or undertaking is valid, unless contained in this document between the parties.
